Happy Birthday

Happy Birthday to Bradford
Brian Newcombe (06)

Eid al-Fitr April 10, 2024, commemorates the end of the holy month of Ramadan, in which Muslims fast daily from before dawn until sunset. We wish blessed Eid filled with happiness, good health and success.

Easter Crafts and Coloring

Everything we need for a great Easter celebration with our kids: Easter crafts, decorations, worksheets, coloring pages, baskets, egg decorating ideas, games, poems and more! Making crafts with our children is a big part of the Easter tradition in our Daycare.

The theme of April; Spring crafts, colors and shapes.

The spring theme activities will engage in fun and learning while exploring flowers, plants and bugs. From spring sensory activities to art, literacy, math and science, these are perfect for spring theme lesson plans. Best of all, the kids are sure to have a blast with these spring favorites!

- **Spring** is finally here! We plan to spend more time outside going to playground and taking some nature walks to see the buds on the trees. Temperatures can warm up enough for flower and leaf buds to show signs of life.
- **Song** you can practice and enjoy with your child at home, the tune is same with "Farmer in the dell". 1. The gardener plants the seeds, the gardener plants seeds, high ho the day oh, the gardener plants seeds; 2. The rain falls on the ground; 3. The sunshine's brighter and warmer; 4. The seeds begins to grow; 5. Flowers grow everywhere.
- **April** is the month when the Sun shines hot and the wind blows cold, it is like summer in the Sun, and winter in the shade. *This is a reminder to all parents as the weather gets warmer and hotter, please make sure your child wear a sun hat and bring in your child's own sunscreen with marking his/her name.*
- **Sunshine Daycare Management and Staff** welcome comments or suggestions (verbally or written) from all parents. Please feel free to talk to our staff or management at your convenience.
- **Please cut the nails regularly to avoid scratching during play.**
