Parents are invited after two years of COVID 19 restrictions.

*Merry Christmas!*

*Christmas Day, on December 25, is one of the most festive holidays in many countries around the world. It celebrates Jesus' birth. Many homes have Christmas trees and other decorations, festive activities include exchanging presents, singing Christmas songs, going to parties. Christmas is an exclusive family affair, while others invite friends to a Christmas buffet or pot luck meal.*

## Theme: Winter, Christmas and Holiday Festivities

- This month our **Pre-schoolers** will be learning about Christmas, they will also be focusing on songs and crafts. Science concepts such as “what are the three forms of water” as well as math activities such as counting down the day until Christmas. They will continue practicing the alphabet and will do some fun singing and movement activities.
- The **toddlers** will sing Christmas songs, talking about winter warm clothes, fun with snow like walking on the snow, build a snow man, drawing the snow flakes, coloring the Christmas stuff & decoration.
- **The Babies** will learn the song “ we wish you a Merry Christmas”, clapping their hands, feel the snow-put some snow in bucket and let the children feel it, painting a Xmas tree by making use of their hands, singing some Xmas jingles.
