

# March

Sunshine Daycare

March 2025

Newsletter

to Weston in Sunshine Daycare.

Happy Birthday

Happy Birthday to Dawid Lola (Mar 07)  
and Thomas Meutzner (Mar 21).

We sent email to all parents about new lower fee and food cost (breakfast, hot lunch, snack) from April 01<sup>st</sup> 2025. We appreciate all parents helping us in providing best, healthy and safe childcare. Thanks

**March 14; Holi** is a spring festival in India, Pakistan and Nepal, also known as the *festival of colors* or the *festival of sharing love*. The festival signifies the victory of good over evil, the arrival of spring, end of winter, for many a festive day to meet others, play and laugh, forget and forgive, repair broken relationships, and is also celebrated as a thanksgiving for a good harvest.

## Preparation of Easter Crafts and Coloring

Everything we need for a great Easter celebration with our kids: Easter crafts, decorations, worksheets, coloring pages, baskets, egg decorating ideas, games, poems and more!

Making crafts with our children is a big part of the Easter tradition in our Daycare. We would like to enjoy spring crafts like chicks and lambs, traditional Easter crafts like bunnies, baskets and dyed Easter eggs.

**Saint Patrick's Day**, is a cultural and religious celebration held on **March 17**, the traditional death date of **Saint Patrick** (c. AD 385–461).

- **Animals** Children love to see observe and learn all about the different types of animals. What sounds they make? What can they do? Animal is a great topic for young learners. Learning Animals for **Toddlers** is an educational game in which little kids can learn animals and animal's sounds.
  - **Preschoolers** will learn and explore the family of Dinosaurs in March. Children are fascinated by animals; they are always curious to learn more about them. Rhyming game and make a chart to recognize between meat and plant eater.
  - **Nails:** Please cut the nails regularly of children to avoid scratching.
  - **Sunshine Daycare Management and Staff** always thank you for your cooperation and suggestions to improve the quality of care.
- Valentine Party on Feb 14, 2025**
